

Ashland Elementary School Students Enjoy Run Club

Eighteen Ashland Elementary School students participated the second annual Fun Run Club with Mrs. Lindberg this fall. The program took place after school twice a week throughout the month of October and involved running-based stretches and exercises, competitions, and activities.

Several AES students, including five Fun Run Club members, competed in the Runaway Pumpkin races in Laconia on Saturday, October 29th as a culminating event to showcase their training efforts. Fun Run Club members Louis Zumbach, Blair Farris, Monroe Farris, Carter Stevens, and Jameson Dalton-Jandreau competed in the 5K race alongside family members, Mrs. Lindberg, and AES students Wade Zumbach, Brooks Zumbach, and River Farris.

Following the 5K race, Monroe, Blair, River, and Carter found their second wind and took to the track in the Kids Fun Run races along with AES student Madison Stevens. All runners did a fantastic job!

Congratulations to the runners and their family members on a successful run. Pictured above are Monroe Farris, Blair Farris, River Farris and Jameson Dalton-Jandreau as they stop for a photo with their coach, Mrs. Sarah Lindberg. Carter Stevens and a family friend along with Monroe Farris and his mom take the opportunity to run together. Teammates Monroe Farris, Blair Farris, River Farris, and Louis Zumbach are enjoying the day together, while Wade Zumbach demonstrates his running skills.
