

## Ashland Elementary School Halloween Parade Enjoyed By All

Ashland Elementary School students and staff lined up under a brilliant blue sky for the start of the annual Halloween Parade. As the parade lined up at the elementary school, the air was filled with joy and laughter as students and staff alike showed off their costumes.

Everyone enjoyed an afternoon of trick or treating with stops at many of the local businesses. Community members and local business owners also joined the festivities by wearing a wonderful selection of costumes.

Thanks to the following businesses who participated in trick or treating: Tri-County Cap, Village Pizza and Grill, Elaine Hughes Realty, Farm Family Insurance, Common Man Restaurant, Lisa's Personal Training, Roundabout New England, Bob's Shurfine, Lucky Dragon, Ashland Community Church, Fuchsia Peony, Ashland Library, Highlites, Daisy Laundry, Reera & Co, Sal's Pizza, Ashland Lumber, Sharps Lumber and Meredith Village Savings Bank. There were also a few families who treated the students as they marched through town.

Special thanks to the staff at Meredith Village for coordinating the parade route as well as to the Ashland Police, Fire and Highway departments who assisted with traffic control.

Ashland Elementary School students, staff and community members had a wonderful time celebrating Halloween with the traditional Main Street Parade.
