

NH Statewide Assessment Parent Exemption Form

DESCRIPTION OF RIGHTS

RSA 193-C:6 permits parents to exempt their public school student from taking the New Hampshire’s statewide assessments in mathematics, English language arts, and/or science by submitting this form to the school the student attends. A parent’s advance notice of a student exemption using this form will assist the school in the administration of the assessment. The submission of an exemption form, whether before or after the administration of the assessment, is required by law. The school shall provide an appropriate alternative educational activity for the time period during which the assessment is administered. The alternative activity shall be agreed upon by the school district and the parent or legal guardian of the student. This form will be maintained at the school and does not need to be sent to the NH Department of Education.
